

THE PERFECT PLATFORM FOR ALL BEAUTY PROFESSIONALS:

The leading beauty event in the region with its large international visitor and exhibitor profile, Beauty & Fitness Asia will once again be showcasing the latest developments & achievements in the beauty sector. The event will witness the display of hundreds of brands, services and technologies covering a huge range of beauty products from color cosmetics, skin care, hair care, nail care, make-up, perfumery, fragrances, personal care and toiletries to the most up-to-date equipment and machines used in beauty and hair salons, as well as medical, aesthetic & dermatology, and spa & wellness centers. Beauty & Fitness Asia is the only B2B trade event dedicated to the growth of the beauty industry in Pakistan

PAKISTAN'S BEAUTY INDUSTRY:

Pakistan's beauty, cosmetics & fitness industry is one of the few sectors of the country's economy that has boomed in recent years, the changing lifestyle and consumption patterns of households and the role of middle class working women, who are assumed to be fairly aware in the leading trend. As income levels are increasing, the desire to look good is on the rise so the consumers are increasingly spending on beauty and personal care products

TESTIMONIALS

Faiza Beauty Cream

The show was very good this year, plenty of people approached us in our booth as they would like to know the latest trends in beauty products.

Shanghai Ruofan Biotech Co. Ltd

This is our first participation and we are totally satisfied that we had the chance to introduce our products to local market. Organization and exhibition are very good.!

Pars Hayan - Iran

We export Beauty products to many countries; we plan to expand our existing market place in Pakistan with this exhibition was very fruitful participation

House of Beauty

Exhibition was very successful and efficient. Pakistani market is the right place for us, we hope to participate this exhibition next year again, we advise all the companies in this sector to participate in this exhibition.!
